

Cookie Policy

Effective 31 July 2026

This policy explains how ASEP Healthcare Limited uses cookies and similar tools on www.asephealthcare.com. It should be read with our Privacy Policy. It reflects the UK GDPR, PECR, the EU GDPR and the ePrivacy rules.

What cookies are

Cookies are small files stored on your device. We also use similar tools such as pixels and local storage. Some are set by us; some are set by our providers.

How we use them

Strictly necessary. Required for the site to work, to keep it secure, and to remember cookie choices. These do not need your consent.

Analytics. Help us understand how the site is used (pages viewed, approximate location at country level, device type) so we can improve it. We only set these if you accept them.

Marketing. Used only if we run advertising or social plugins and you accept them. We do not currently use marketing cookies as a default. If that changes, they will appear in the banner and in the table below.

Cookies we use

- Cookie-consent cookie — set by us — stores your banner choice — up to 12 months — necessary.
- Session / security cookies — set by us or our host — keep the site working — session or up to 24 hours — necessary.

Your choice

When you first visit we will ask you to accept or reject non-essential cookies. You can change that choice at any time through the cookie settings link in the site footer. You can also block or delete cookies in your browser. Strictly necessary cookies will still be set.
